

HIGH STAKES ENTERPRISES

To Whom it may concern:

This is a formal letter of recommendation for the RJ pool company. My name is Waldo Stakes and I am a general contractor by trade. I have been in the building trades for 35 years and have been a general contractor for 12 years holding a license in the state of California.

I hired RJ Pools to build the swimming pool on my personal residence beginning in January 2008. Despite an unusually rainy and cold winter Ralph Winkler and his men had the pool dug, plumbed, poured and the electrical work completed within ONE WEEK. Afterwards bad weather thwarted the pool's completion. But as soon as the weather warmed and the rain stopped the pool was completed.

The pool finish is beautiful and the overall workmanship is second to none. All his workers and subcontractors were fast and honest. So much so that I left my home open to them.

I recommend RJ POOLS for your swimming pool and spa needs. If you have any questions or want to see the work I am talking about feel free to call me as a more than satisfied customer at (760) 900-5454. I live in Apple Valley and will be more than happy to talk to you as great contractors nowadays are hard to come by. I know this as I am in the business of building room additions and homes.
